Web-Based Training (WBTs)

Specialty-based classes have been assigned to you in Epic Training (SympItr) and can be completed anytime/anywhere.

Test Out

- Outpatient
- Inpatient

If you have used Epic within the past three months, you have the option of testing out of the VILT training requirements. Test Out during an in-person event or schedule at a training facility.

Instructor Led Training (VILT)

VILT must be completed in-person at one of RWJBH's Epic Training Centers.

End-User Proficiency Assessment (EUPA)

EUPA must be completed in-person at one of RWJBH's Epic Training Centers.

Epic Playground (PLY)

Enhance and refine your newly acquired skills.

User Settings Lab (USL)

Attend in-person USL for personalization activities at one of RWJBH's Epic Training Centers.

Chart Health

Outpatient Providers: Complete Chart Health WBT and begin Chart Health activities two weeks prior to Go-Live.
