

Epic Training – Symplr Learning: Hyperdrive Training Companions

This tip sheet will assist you with how to find the Hyperdrive Training Companions in the Symplr Learning for Epic Training. You will use your Completed List to reference the Training Companion that you need to add to your To Do List.

How to add a Hyperdrive Training Companion to your To Do List

1. Navigate to the **login page for [Epic Training’s Symplr Learning](#)**.

2. Log into your **Symplr Learning** account.

3. Click on the **Completed List** button to look for what you have completed in the past.

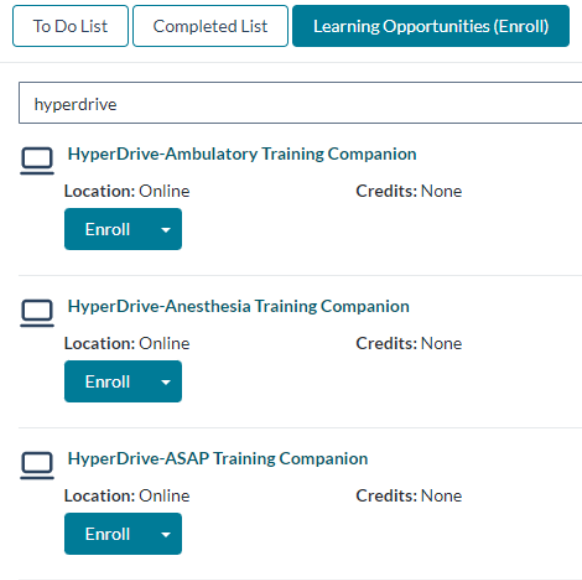

4. On the left side, under **Learning Activity Types**, filter on **Classes**.

- Click on All, then click on Classes.

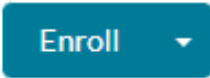

5. Based on the name of the VILT(s) that you attended, you will need to **refer to the crosswalk** to locate the correct Hyperspace Training Companion(s) that is appropriate for you.
 - The crosswalk is located on **Page 3** of this document.
 - For providers that have tested out, please use the title of your Test Out EUPA(s).
6. After referring to the crosswalk, click on the **Learning Opportunities (Enroll)** button.

7. Type **“hyperdrive”** into the search bar for all the Hyperdrive Training Companions to appear.

8. Under the desired course title, click the **Enroll** button.

- The course is now in your **To Do List** to access and complete appropriately.
